

Inside the Fire

Disturbed

Ooh, Devon, won't go to heaven
She's just another lost soul about to be mine again
Leave her, we will receive her
It is beyond your control, will you ever meet again
Devon, no longer living
Who had been rendered unwhole as a little child
She was taken and then forsaken
You will remember it all, let it blow your mind again
Devon lies beyond this portal
Take the word of one immortal
Give your soul to me for eternity
Release your life to begin another time with her
End your grief with me, there's another way
Release your life, take your place inside the fire with her
Sever, now and forever
You're just another lost soul about to be mine again
See her, you'll never free her
You must surrender it all and give life to me again
Fire, all you desire
As she begins to turn cold and run out of time
You will shiver till you deliver
You will remember it all, let it blow your mind again
Devon lies beyond this portal
Take the word of one immortal
Give your soul to me for eternity
Release your life to begin another time with her
End your grief with me, there's another way
Release your life, take your place inside the fire with her
Give your soul to me for eternity
Release your life to begin another time with her
End your grief with me, there's another way
Release your life, take your place inside the fire with her
Ooh, Devon, no longer living
Who had been rendered unwhole as a little child
She was taken and then forsaken
You will remember it all, let it blow your mind again
