Guided

Glint

Finding ways to care without a reason in the worldWas harder than it seems, until I learned to let go,To the reason you became my onlyGuided by the light, oh I'll never let it go
Let it go,
don't you ever let me goDancing to become one another
Don't let go,
don't let go, you're the only light I knowAll this time I've thought I'm lost without a purpose to believe Until I finally found a home inside a world filled with despair
It's the purpose that you are my onlyGuided by the light, oh I'll never let it go
Let it go,
don't you ever let me goDancing to become one another
Don't let go,
don't let go, you're the only light I knowI'll be fine with the shadows you cast behind, never let your light burn out
leave me four underground, I'm shining brighter now then I did before, don't let it fade away
Guided by the light, oh I'll never let it go
Let it go,
don't you ever let me go
Dancing to become one another
Don't let go,
don't let go, you're the only light I know
Guided by the light, oh I'll never let it go
Let it go,
don't you ever let me go
Dancing to become one another
Don't let go,
don't let go, you're the only light I know.
