Secret

Joe Purdy

I am your secret babe
Watch me unfold
Dancing in these streets so late
Nobody knows
Nobody knows us

The first time I looked at you
You looked at me
swimmin' in this water so cool
Just like a river queen
Just like a river queen

And I don't remember falling asleep
Must have been holding on tight
And all I can think of and all I can dream
is dancing with you in red lights

The sunshine state is closed
look at the water on the road
And I'm gonna get in my boat
And to you I will float
And to you I will float

And I don't remember falling asleep
Must have been holding on tight
And all I can think of and all I can dream
is dancing with you in red lights

I am your secret babe
Watch me unfold
Dancing in these streets so late
Nobody knows
Nobody knows us
