More Than Friends

Jonathan Butler

Ooh tonight!
Tonight we could be more than friends
Ooh tonight!
tonight we should be more than friends
We're in the corner of a crowded room
I want your lips your body, boy, handsome
and if you like what we're doing
why don't we give in for the night?
This might just be the night of You and I,
If there's no distance in our heart then might,
and if you like
What we're doing, why don't we give in for the night?
Ooh, tonight!
Tonight we could be more than friends
Ooh tonight!
Tonight we should be more than friends.
From the first time that I saw the look in your eyes
I've been thinking about you for all of this time
Ooh tonight!
Tonight we could be more than friends.
Ain't looking for someone to call my own
But with you boy we're in danger zone, and if you like

what were doin' why don't we give in for the night?
So here we are, I just dream of you
And all the things that I'm about to do to you,
and if you like
what we're doing why don't we give in for the night?
Ooh, tonight!
Tonight we could be more than friends
Ooh tonight!
Tonight we should be more than friends.
From the first time that I saw the look in your eyes
I've been thinking about you for all of this time.
Ooh tonight! Tonight we could be more that friends.
baby! she rings my bell, and they rush the floor.
you mighta' think that's cool saw.
every body in the club was hot 'til i showed my watch
and they cooled out
