School's Out

A-teens

Well we got no choice
All the girls and boys
Making all that noise
'Cuz they've found new toys
We can't salute ya
Can't find a flag
If that don't suit ya
That's a drag
School's out for summer
School's out forever
I'm bored to pieces
Well we got no class
And we got no principles
And we got no intelligence
We can't even think of a word that rhymes
Well we can't salute ya
Can't find a flag
If that don't suit ya
That's a drag
School's out for summer
School's out forever
I'm bored to pieces
No more pencils, no more books
No more teachers, dirty looks
Out for summer, out 'til fall
We might not come back at all
School's out for summer
(Detention)
School's out forever
School's out with fever
School's out completely
School's out for summer
