It Sounds Prettier in Spanish (Rough Mix)

Name Taken

And they say
Once you've gone this way you can't come home again
Unless you shed your skin
The words I meant to leave left out
Reaching deeper
The words I meant to leave left out
Darker, darkerDon't worry
I can't kill the memory
I wish I could
Painted black
Bleeding white
I cannot come clean, come clean
Put me away, I'll spend my life
And I won't waste your time
The words I meant to leave left out
Oh c'mon
The way it felt to just get out
Oh, release meDon't worry
I can't Kill the memory
I wish I could
Painted Black
Bleeding white
I cannot come clean, come clean
Breakdown
Fade away
A life worth living can't be saved
