

# He'll Work It Out

## Kevin Lemons and Higher Calling

When you're down and in despair Depressions all around It seems like no one cares, when you're down And in  
despair, depressions all around Seems like no one  
cares Just look to the hills From which cometh your help All of your help comes from the Lord Whatever you  
need from the Lord you shall receive He'll work it out Oh yes, He'll work it out When you're down and in  
despair Depressions all around Seems like no one cares Just look to the hills From which cometh your help All  
of

your help comes from the Lord All of your help comes from the Lord All of your help comes from the Lord

Vamp:

God's Gonna Work it Out,  
He's Gonna Work it Out, (repeat)

Special:

He Will, Oh yes He will!  
Oh Yes He Will (repeat)
