

# Toilet Tisha

## Outkast

Have you heard the news today  
They say a little 14 year old little girl had a baby on the way  
Too much for her little mind to bare  
And that type of news to her mama she cannot spare Toilet Tisha, damn we miss ya  
Toilet Tisha is the issue  
Damn we miss ya, Toilet Tisha  
Damn we miss ya Don't go away  
Don't you dare go away from me girl I can help you  
Don't go away dont you dare leave me  
Don't go away, away  
Don't go away Five thousand, one hundred ten days  
Is a short period of time a mere fourteen years  
On this precious mother earth, you see Tisha had issues  
And her decision making skills were still in it's early stages  
You know what I'm talking about  
Therefore she could not properly handle a blessing in which  
She thought to be an obstacle in her path to adulthood  
Pause, just like a brother with a thousand pauses  
Should I, shouldn't I, I cant, I have to, mama will never see me the same  
Daddy and Big Mama I know all of them gonna be ashamed of me  
Are just a few thoughts racing through her cranium  
As she sits on top of the pale,  
Cold porcelain seat in the rear of the house  
The unthinkable moments away from becoming reality, sadly with no clue  
And no way of expressing her feeling  
To her mam or anybody else in her life  
Tisha done came to the crossroads and now she got to choose  
Fatality, fatality, fatality, fatality
