I Wanna Know

Agnostic Front

In a world of made up heroes
Broken promises and zeros
I can't seem to see much worse than thisI wanna know, wanna know what's going on
Wanna know what's going on todayIn a world not fact but fiction
Fairy tales and drug addictions
I cant seem to see much worse than thisI wanna know, I wanna know
I wanna know what's going on todayI've got no feeling, I've got no feeling
There's no more feelings inside of meIn a world of constant hate
Rape and murder chalked up to fake
I cant seem to see much worse than thisEverything is alright today
