

# I Wanna Know

## Agnostic Front

In a world of made up heroes  
Broken promises and zeros  
I can't seem to see much worse than this I wanna know, wanna know what's going on  
Wanna know what's going on today In a world not fact but fiction  
Fairy tales and drug addictions  
I cant seem to see much worse than this I wanna know, I wanna know  
I wanna know what's going on today I've got no feeling, I've got no feeling  
There's no more feelings inside of me In a world of constant hate  
Rape and murder chalked up to fake  
I cant seem to see much worse than this Everything is alright today
