

Exclusive (no Excuses)

Day26

[Willie]Life is such a crazy thing
It's never really what it seems
Cause first we were chillin
Now I'm catchin feelins
Can you tell me what this means
I'm going through my voicemail
And I'm saving every message you sent
I'm tryna reading between the lines
To see if there was somethin' I missed
[Q]All of a sudden, my vision became so clear.
Everything I needed was right here,
Before me (before me)
So pressed to let you know
Just how you make me feel
Never had a feeling thats so real
Control me (and i'm ready, girl I'm ready)
[Chorus]Don't wanna play no games,
I want you exclusive,
Baby, we should just do this,
with the feeling's so strong,
how can we go wrong
No games, I want you exclusive
theres no more excuses
the feelings so right
I want you girl, I need you girl
[Brian A.]I really love your company,
Hate it when you gotta leave
another oppurtunity,
for me to say everything.
So tell me if i'm buggin,
when you look at me like that (like that).
I wanna say something,
but I dont know how your gonna react.
[Robert]All of a sudden, my vision became so clear.
Everything I needed was right here,
before me (before me)
So pressed to let you know
just how you make me feel
never had a feeling thats so real

control me. (and i'm ready, girl I'm ready)

[Chorus]Don't wanna play no games,
I want you exclusive,
Baby, we should just do this,
With the feeling's so strong (strong)
How can we go on?

No games, I want you exclusive
Theres no more excuses (no more excuses)

The feelings so right
I want you girl, I need you girl

[Hook]You knew it all along,
What was going wrong,
Let me state my claim
Before its too late

I dont care how this may sound,
But you need to know right now

So I might as well just come on out and tell ya

[Mike]All of a sudden, my vision became so clear
