

Water Rising (feat. MssingNo & Geeneus)

Katy B

Is this here the moment
Is this here the day
We lay it on the table
We're done, walk away
I can see the words there
Clinging to your tongue
Who's gon' say it first
Our world's no longer one
Feel a tug at my chest
No one said it would be easy saying goodbye
When you still know me best
So I just can't let you see me cry
Feel the water rising
I close my eyes and
Hold it back, better hold it down
Or the dam's gonna hit the ground
Oh, feel the water rising
I close my eyes and
Hold it back, better hold it down
Or the dam's gonna hit the ground
Oh oh oh
Oh oh oh ooh
Can't believe the time it took to realise
You're the cloud that darkened my halcyon skies
I used to be patient, I used to be kind
Now I'm just so empty, trying my best to find
How I was, here before
When I had that naive faith in you, my friend
Now we're so past a cure
I can't let you see me weak again
Feel the water rising
I close my eyes and
Hold it back, better hold it down
Or the dam's gonna hit the ground
Oh, feel the water rising
I close my eyes and
Hold it back, better hold it down
Or the dam's gonna hit the ground
Oh oh oh

Oh oh oh ooh
Oh oh oh
Oh oh oh ooh
You cut my wings so I couldn't fly
You saw my pain, but walked on by
Til that last light in me died
Had me wishing on stars
You pulled me strings, to get your way
But in the end, pushed me away
So now we live in yesterday
Cos it all went too far
Feel the water rising
I close my eyes and
Hold it back, better hold it down
Or the dam's gonna hit the ground
Oh, feel the water rising
I close my eyes and
Hold it back, better hold it down
Or the dam's gonna hit the ground
Oh oh oh
Oh oh oh ooh
Oh oh oh
Oh oh oh ooh
