

# Odessa (City On the Black Sea)

## Bee Gees

14th of February, 1899

The British ship Veronica was lost without a sign  
Baa baa black sheep you haven't any wool  
Captain Richardson left himself a lonely wife in Hull  
Cherub, I lost a ship in the Baltic sea  
I'm on an iceberg running free  
Sitting, filing this berg to the shape of a ship  
Sailing my way back to your lips  
One passing ship gave word that you have moved out of your old flat  
You love the Vicar more then words can say  
Tell him to pray that I won't melt away  
And I'll see your face again  
Odessa, how strong am I?  
Odessa, how time goes by  
Treasure, you know the neighbors that live next door  
They haven't got their dog anymore  
Freezing, sailing around in the North Atlantic  
Can't seem to leave the sea anymore  
I just can't understand why you just moved to Finland  
You love that Vicar more then words can say  
Ask him to pray that I won't melt away  
And I'll see your face again  
Odessa, how strong am I?  
Odessa, how time goes by  
14th of February, 1899  
The British ship Veronica was lost without a sign
