

# Down

## Marian Hill

Didn't even really wanna go  
But if you get me out, you get a show  
There's so many bodies on the floor, so  
Baby, we should go and add some more  
Are you down, d-d-down, d-d-down, d-d-down, down, down?  
Down, d-d-down, d-d-down, d-d-down, down, down?  
Everywhere I look are peoples' hands  
Thrown up in the air to help them dance  
Come on, baby, catch me if you can, I  
Know you don't have any other plans  
Are you down, d-d-down, d-d-down, d-d-down, down, down?  
Down, d-d-down, d-d-down, d-d-down, down, down? Are you  
Down, down, d-down, down  
Are you down  
Down, down, d-down, down  
Are you down, are you down, are you d-d-d-down  
Are you down, are you down, are you d-d-d-down, are you  
Down You know we could put them all to shame  
Now isn't the time to play it safe  
Isn't this the reason that you came, so  
Baby, don't you let it go to waste  
Are you down, d-d-down, d-d-down, d-d-down, down, down?  
Down, d-d-down, d-d-down, d-d-down, down, down?  
Every single thing is feeling right  
Started as a quiet Friday night  
I don't really think that we should fight this  
What if we don't stop until it's light?  
Are you down, d-d-down, d-d-down, d-d-down, down, down?  
Are you down, d-d-down, d-d-down, d-d-down, down, down? Are you, down, down, d-down, down  
Down, down, d-d-d-down  
Are you down, are down, are you d-d-down  
Are you down, are down, are you d-d-down, are you Are you, are you, are you d-down-down  
Are you, are you d-d-d-down, are you Down, down, d-down  
Down, down, d-down Are you down, are down, are you d-d-down  
Are you down, are down, are you d-d-down, are you Are you down, are down, are you d-d-down  
Are you down, are down, are you d-d-down, are you Down?
