

Let's Be Friends

The Fulcos

Friends

Friends

Friends

I guess you want to know why I got to go

Knowing how I feel about ya

I can go all night sing my our love

But it's hard to fight this feeling, feeling inside

Girl, I can not do what I want to do

Momma said that we're movin' to fast

If we hold on to and if love is true

I know the day will finally come around

Let's be friends 'cause I don't want to hurt you

Let's be friends, I don't want to let you down

Let's be friends, na girl, I don't want to hurt you

Let's be friends, I don't want to let you down

Girl if we explain why we must refrain

Why we can't give in, we can only just be friends

If you only knew what I'm going through

I really want'cha but I can't stick around

Girl, I can not do what I want to do

Papa said that we're movin' to fast

If we hold on to and if love is true

I know the day will come but in the mean time

Let's be friends, I don't want to hurt you

Let's be friends, I don't want to let you down

Let's be friends, I don't want to hurt you

No

You know you're the only one for me, girl

You're the only one I need, girl

Want you be my friend we can work it out

Let's be friends let's be friends

So hard to turn love down

Friends

Out it out

I just can't stick around

Friends

Don't cha want be my friend

I don't want to let you down

Girl, I know how you feel about me

And I'm not knocking the way you feel
But as you can see baby time is not on our side
And for that reason we can't be together
But I can assure you
One day we would prove them all wrong
But in the meantime love
Let's just walk away and be friends
Friends forever
Soon enough it will be
Just you and me
We can work it out, we can work it out
Yeah yeah
