Capture the Crown

Itâ€™s been a long time,
I thought Iâ€™d never see the day.

I got caught up in myself,
now Iâ€™m left with memories
(I canâ€™t believe we)
I lost a friend
and thereâ€™s no turning back
there was a sickness inside your head.

I canâ€™t pretend,
that youâ€™re still here [2x]
but youâ€™re gone!

I miss you [4x]

So take my word
Thereâ€™s not a soul in this world
That could ever take your place

And as sad it is to let you go
I feel better that youâ€™re not in vain

I lost a friend
and thereâ€™s no turning back
there was a sickness inside your head.

I canâ€™t pretend,
that youâ€™re still here [2x]
but youâ€™re gone!

I lost a friend
and thereâ€™s no turning back
there was a sickness inside your head.

I canâ€™t pretend,
That I was always there for you.
Now I am learning to forgive myself.

I miss you [8x]
