

Goodbye, My Love

Timothy B. Schmit

(Bob Dylan)

When the rain is blowin' in your face
And the whole world is on your case
I could offer you a warm embrace

To make you feel my loveWhen evening shatters and the stars appear
And there is no one there to dry your tears

I could hold you for a million years

To make you feel my loveI know you haven't made your mind up yet
But I would never do you wrong

I've known it frm the moment that we met

No doubt in my mind where you belongI'd go hungry, I'd go black and blue
I'd go crawling down the avenue

No there's nothing that I wouldn't do

To make you feel my loveThe storms are raging on the rolling sea
And on the highway of regret

The winds of change are blowing wild and free

You ain't seen nothing like me yetI could make you happy make your dreams come true
Nothin' that I wouldn't do
Go to the ends of the earth for you
To make you feel my love
