

Thankful Heart (Back To the Street Version)

Petra

I have a thankful heart that You have given me
And it can only come from You There is no way to begin to tell you how I feel
There are no words to express how you've become so real
Jesus, You've given me so much I can't repay
I have no offering There is no way to begin to tell you how I feel
There's nothing more I can say, and now way to repay
Your warming touch that melts my heart of stone
Your steadfast love I'll never be alone I have a thankful heart that You have given me
And it can only come from You
I have a thankful heart words don't come easily
But I am sure you can see my thankful heart
