

You Are In Control

[Scott Underwood](#)

You are my shepherd, I have no needs
You lead me by peaceful streams
And You refresh my life

You hold my hand and You guide my steps
I could walk through the valley of death
And I won't be afraid

Because You are in control
You are in control
You are in control
You are in control

You cause everything to work together
You truly have a sovereign plan
And You know who I am
And You made who I am
And You love who I am
