

I Got Bitches (feat. AE200 & D Dro)

Yung Joc

Foreign hoes
Spanish hoes
Light skin, Dark skin
Fanatic, foreign accent
Need a translator when we talkin'
My Paris bitch wanna french kiss
Fuck her good then we dismiss
My Belgian bitch, named cocoa
That pussy sweeter than swiss miss
Got a booster bitch
Yeah a booster bitch
I can't take her out
Cuz she ain't used to shit
I got a bougie bitch
My cougar bitch
She's slow grind
To that Luther shit
Got a college bitch from a project
Call her 4G cause that ass offset
I got a thank-you bitch
(What's a thank-you bitch?)
Neck so good I gotta thank the bitch
I got an athlete she super fit
My lil country hoe, she stupid thick
My old lady she make counterfeit
She jew'd the plug bought me break a brick
My lil Haitian hoe keep rollin' Swishers
My lil money girl she a go getter
My lil money chaser, she a gold digger
My shooter bitch don't even fuck wit niggas
She don't stand a chance to this fucking pimpin
Y'all niggas so lame y'all be actin' different
And whatever she do ain't nobody's business
But who need these niggas when I got all these bitches
She said " Turn down for what"
That's my ratchet bitch
Hoe i only rock that louis
That's my classy bitch
Hoe she go to Georgia State in my city bitch
I love a girl that hold my [?] you know I ain't tripin' but I got bitches
I got bitches, I got bitches I got bitches

I got bitches
I got bitches
I got bitches, I got bitches, I got bitches
I got bitches, I got bitches, I got bitches
