

# Go

## Newsboys

Everybody needs somebody to rely on  
To rely on, realize  
Everybody needs somebody's shoulder to cry on  
Just to cry on, realize Are you gonna lend a hand and assist?  
I wanna send you there Go  
From the top of the world  
To the bottom rung  
'Til the work is done  
I'm gonna send you Go  
From the break of the dawn  
To the age's end  
Someone's needing a friend  
I'm gonna send you Everybody needs somebody for the long ride  
For the long ride, ride along  
Everybody needs somebody coming alongside  
Come alongside, side along Are you gonna lend a hand or a fist?  
I wanna send you there Go  
From the top of the world  
To the bottom rung  
'Til the work is done  
I'm gonna send you Go  
From the break of the dawn  
To the age's end  
Somebone's needing a friend  
I'm gonna send you Gonna send you out one by one  
If I need it sung, can you sing it loud?  
Gonna send you two by two  
Outta the ark, into the wild blue Gonna come along by your side  
Send along my Spirit guide  
I'm gonna show you miracles  
Cover the earth, make disciples  
I wanna send you there Go  
From the top of the world  
To the bottom rung  
'Til the work is done  
I'm gonna send you Go  
From the ends of the earth  
To the nearest gap  
All over the map

I'm gonna send you  
Go  
From the top of the world  
To the bottom rung  
'Til the work is done  
I'm gonna send you  
Go  
From the break of the dawn  
To the age's end  
Someone's needing a friend  
I'm gonna send you
