Since You're Gone

Aaron Neville

Since you?re gone with your guy
I feel as though I want to cry
But a man ain't supposed to shed a tear
If only you were here
(You?ve gone away, baby)
If only you were here
(You?ve gone away, baby)
If only, if you were here I?d lie for you
Darling, I?d die for you
Please say you?re coming home
Since you?ve gone away
Been working hard while you?re at play
Never thinking that you are untrue
Didn?t worry over you

So long, this is goodbye
I didn?t want you to leave me, but I?ve got my pride
There?s one thing I want you to know
Girl, I love you so
(You?ve gone away, baby)
Girl, I love you so
(You?ve gone away, baby)
You?ve gone away
(You?ve gone away, baby)
So long
(You?ve gone away, baby)
Oh, my darling, so long
