Just Because

Mark Eitzel

What is it with you
How come good luck
Only makes you cruel
You get dead-eyed as royalty
And just as blueBut you know I don't care
I don't care what you do
I just wanna know
Where you are, what is trueBut just because someone loves you
Doesn't mean you can treat them bad
But just because someone loves you
Doesn't mean they can be had
Don't wanna kill your soul
You know that's not for me
I don't put my hands over your eyes
You should be able to seeJust because someone loves you
Doesn't mean you can count them out
Just because someone loves you
Doesn't mean you can make them doubtI don't wanna push yo
I don't wanna stop you
You're free to come and go
I don't want to keep you
I just want to give you
What little joy I know
Just because someone loves you
Doesn't mean you must make 'em pay
Just because someone loves you
Doesn't mean you can throw them away
