Everlasting Love (Extended Version)

Sandra

You are my everlasting
You are my everlasting loveHearts go astray
Leaving hurt when they go
You went away
Just when I needed you soFinding your way
You'll come back wanting me
I'm gonna stay
Loving you endlesslyOpen up your eyes, then you'll realize
Here I stand with my everlasting love
Need you by my side, there's no need to hide
Never be denied, everlasting love
From the very start, open up your heart
Be a lasting part of everlasting loveYou are my everlasting
You are my everlasting loveLook in my eyes
See my love burning strong
No more goodbyes
In your arms I belongOur time has come
All my dreams have come true
Two hearts as one
Loving me, loving youOpen up your eyes, then you'll realize
Here I stand with my everlasting love
Need you by my side, there's no need to hide
Never be denied, everlasting love
From the very start, open up your heart
Be a lasting part of everlasting loveYou are my everlasting
You are my everlasting loveOpen up your eyes, then you'll realize
Here I stand with my everlasting love
Need you by my side, there's no need to hide
Never be denied, everlasting love
From the very start, open up your heart
Be a lasting part of everlasting loveOpen up your eyes, then you'll realize
Here I stand with my everlasting love
Need you by my side, there's no need to hide
Never be denied, everlasting love
