

When the Lights Go Down (Original Club Mix)

Armand Van Helden

To play
You can feel the energy coming
From the people as they say When the lights go down in your town
And the band begins to play
You can feel the energy coming
From the people as they say When the lights go down in your town
And the band begins to play
You can feel the energy coming
From the people as they say When the lights go down in your town
And the band begins to play
You can feel the energy coming
From the people as they say When the lights go down in your town
And the band begins to play
You can feel the energy coming
From the people as they say When the lights go down in your town
And the band begins to play
You can feel the energy coming
From the people as they say When the lights go down in your town
And the band begins to play
You can feel the energy coming
From the people as they say When the lights go down in your town
