

It's Crazy

[Natalie Cole](#)

I jump up at dawn, shake out the sun
Laugh like a loon, everything is fun
It's crazy, but I'm in love I act like a fool; what do I care?
I'll be a fool as long as you're there
It's crazy, but I'm in love I spread my wings and then I fly
All around the city
The world's my sweet potato pie,
And I'm sittin' mighty pretty I sleep by the stars, chase that old moon,
Fall into of bed hummin' a tune
It's crazy, but I'm in love
