Hey Hey

Athena Cage

All the ladies in the club
Not ready to give the party up
Lift your hands up
Let me hear you say hey
A little louder Hey hey
Sing it louder hey
All the fellas show some love
Come on then give it up
Lift your hands up
Let me hear you say hey
A little louder hey hey
Sing it louder heyOh no It's 3am
And the party is still jumpin'
And the club it is about to close down
DJ tellin' everyone to get out
But the girls and I ain't ready to go
The night is young and we ain't tryna go home
So we gotta find another spot
Cause you know the party ain't goin' stop, noLets roll and not stop
It's on to the next block
The party is hot and won't stop till 6 o'clock
Everyone come on along
We're gonna have some fun oh yeahAll the ladies in the club
Not ready to give the party up
Lift your hands up
Let me hear you say hey
A little louder Hey hey
Sing it louder hey
All the fellas show some love
Come on then give it up
Lift your hands up
Let me hear you say hey
A little louder hey hey
Sing it louder heyOh no it's time to go
Everyone's finished but don't want to go home
We gotta find another place to be
Let's get somewhere cause it's still early
Everybody meet outside
Pump some music in your ride

Don't worry about the time
Cause we're gonna kick it tonightForget about the clock
Take everything we got
And make our own hot spot
Right in the parking lot
Play the hot songs
Get your drink on
Find a partner
And get your grove onAll the ladies in the club
Not ready to give the party up
Lift your hands up
Let me hear you say hey
A little louder Hey hey
