PARASITE

VANT

Baby I'm more common then you'll ever believe
From Texas, Mississipi to the Evergreens
I've been to Asia via Russia, sailed the seven seas
I'm a pauper, high-roller, earthquake, summer breeze
I'm a parasite, I'll keep you up at night
I'll haunt your dreams
I'm a nematode, I can kill you
I can set you free
I'm a present armageddon on the Fourth of July
I'm cold and creamy, toasty, I get down, I get high
I'm in every breath you take, every truth, every lie
Underground, upside down, in the clouds in the sky
I'm a parasite, I'll keep you up at night
I'll haunt your dreams
I'm a nematode, I can kill you
I can set you free
When everybody's gone baby, I'll still be here
You can map the constellations with my own atmosphere
I'm ninety of a hundred, I am love, I am fear
I'm a prophet, I'm a sailor, I'm a judge, I'm a queer
I'm a parasite, I'll keep you up at night
I'll haunt your dreams
I'm a nematode, I can kill you
I can set you free
I'll set you free, free, free free
