

You Ain't Seen Nothin' Yet

Avril Lavigne

First glance, you nearly made my jaw drop
First dance, and you were looking so hot
How tense, I moved in for a lip-lock
Don't stop baby, don't stop baby A first taste like honey, you were so yum
Can't wait for a second 'cause it's so fun
Third base, I'm headed for a homerun
Don't stop baby, don't stop baby now Hold on tight to this rollercoaster ride
And if you're loving this
Just give me one more kiss
'Cause you ain't seen nothing yet Just let go, if you don't, we'll never know
So if you're loving this
Just give me one more kiss
'Cause you ain't seen nothing yet My place, you showed up with flowers
Your face, could stare at it for hours
Can't wait to see your superpowers
Don't stop baby, don't stop baby Your car, I'm sitting right beside you
Rockstar at everything that you do
My heart is ready for the next move
Don't stop baby, don't stop baby now Hold on tight to this rollercoaster ride
And if you're loving this
Just give me one more kiss
'Cause you ain't seen nothing yet Just let go, if you don't, we'll never know
So if you're loving this
Just give me one more kiss
'Cause you ain't seen nothing yet Yeah yeah, not yet
Yeah yeah, not yet
Yeah yeah, not yet
'Cause you ain't seen nothing yet Hold on tight to this rollercoaster ride
And if you're loving this
Just give me one more kiss
'Cause you ain't seen nothing yet Just let go, if you don't, we'll never know
So if you're loving this
Just give me one more kiss
'Cause you ain't seen nothing yet Yeah yeah, not yet
Yeah yeah, not yet
Yeah yeah, not yet
'Cause you ain't seen nothing yet
