Prohibition Swing

Lyre le Temps

The moment is soon I can bring you there
The round of the moon, Nothing to declare
Come in this room, youâ€™ll be free to drink inside

Keep up the mood , will you be strong enough
to stay here till noon spending all your cash out
Looking for booze I know a pub letâ€™s look inside

Keep up the mood just a shot stay a minute then move
if you think your life is too rude youâ€™ll be free to walk outside

But inside , turns out something I would never dreamed of
People seems so happy I feel so right
all I see is smiles and beautiful faces

Right Now ,
Goodbye ,
Thatâ€™s how ,
We swing and drink and stop by
Late at night ,
Weâ€™re hiding out
Nobody â€˜s outohibi
Donâ€™t get caught itâ€™s prohibition

Noisy and full , everywhere itâ€™s a mess ,
There are no rules , men are playing cards and girls play them fool
Thatâ€™s what you will see inside
The smoke in the room leaves a cloud upon our shoulders and soon ,
You will feel why that liquor is good
Whatever cops will say outside come it â€˜s prohibition

Right Now ,
Goodbye ,
Thatâ€™s how ,
We swing and drink and stop by
Late at night ,
Weâ€™re hiding out
Nobody â€˜s outohibi
Donâ€™t get caught itâ€™s prohibition

But inside , turns out something I would never dreamed of
People seems so happy I feel so right
all I see is smiles and beautiful faces

Right Now ,
Goodbye ,
Thatâ€™s how ,
We swing and drink and stop by
Late at night ,
Weâ€™re hiding out
Nobody â€˜s outohibi
Donâ€™t get caught itâ€™s prohibition

Right Now ,
Goodbye ,
Thatâ€™s how ,
We swing and drink and stop by
Late at night ,
Weâ€™re hiding out
Nobody â€˜s outohibi
Donâ€™t get caught itâ€™s prohibition
