Feelings

Nothing more than feelings

Trying to forget my

Feelings of hate

Imagine

Beating on your face

Trying to forget my

Feelings of hate

Feelings

For all my life i'll feel it

I wish I'd never met you

You'll make me sick again

Feelings, oh oh feelings

Of hate on my mind

Feelings

Feelings like I never liked you

Feelings like I want to kill you

Live in my heart

Feelings

Feelings like I want to deck you

Feelings like I've gotta get you

Out of my life

Feelings, oh oh feelings

The hate's in my eyes

Feelings, oh oh feelings

You're not very nice
