

# Numb Numb

## Juvenile

Ay you wan' score ki, no you wan' score an ounce  
I ain't gon' show you shit, make sure you got the right amount  
Boy I can't front you nuttin' but I respect ya G  
It could get fatal if I let niggaz get next to me  
The junkies like my coke, Doctors, and Lawyers too  
They in, and out here all day lookin' for the right Peru  
I use to do it too but I had to let it go  
I can't get loaded I'm lil' wodie that supply the coke  
My shit'll have you where you don't even much wanna eat  
Have you a lack of sleep always out up in them streets  
Been in rehab for weeks come home and get a bag from me  
You gon' relapse indeed, probably want ever leave  
Don't want no problems, I just wanna get this cheddar please  
I can't get popped, I've been convicted for two felonies  
Look I'm just tryna put some clothes on my daughter  
I hope they ain't ridin' I need to sell this other quarter  
If you score some coke from me, you will be  
Numb, numb, numb, numb, numb, numb, numb, numb, numb  
If you don't get it from me you will be  
Dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb  
You'll be comin' back in minutes to get  
Some, some, some, some, some, some, some, some, some  
Damn Juvie where you get that  
From, from, from, from, from, from, from, from, from  
They don't work off the hit 'cause we don't fuck with the foes  
They be sellin' them soft we had enough of them sold  
And we work off the hit 'cause we don't fuck with the foes  
We don't be sellin' them soft we had enough of them sold  
Weigh it and bring it in this shit is shipped to me  
I never transported nothin' peep out my history  
My house is sittin' plush-my cars is lookin' lovely  
Police men wanna cuff me therefore I'm rollin' buckets  
Not tryna make it public don't wanna be the subject  
Mama tunin' it don't spend ya money boy stay in ya budget  
I seen a lot of fools goin' buyin' a lot of shoes  
They children not in school they gotta lot to prove  
I puts my money back up into my flip  
Some to the side in case them people run up in my shit  
Chopper up all the time with two taped up clips

And if you come fuckin' with mine I'm a use this bitch  
They want me for distribution from New Orleans to Houston  
Someone been runnin' there mouth tellin' 'em how much I'm movin'  
I'm just tryna put some clothes on my daughter  
I hope they ain't ridin' I need to sell this other quarter  
If you score some coke from me, you will be  
Numb, numb, numb, numb, numb, numb, numb, numb, numb  
If you don't get it from me you will be  
Dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb  
You'll be comin' back in minutes to get  
Some, some, some, some, some, some, some, some, some  
Damn Juvie where you get that  
From, from, from, from, from, from, from, from, from  
I got my first work when I was sixteen  
And niggaz still not knowin' what happened to brick leans  
It's not an easy task might have to beat the last  
You gon' get caught up out here tryna save ya people ass  
Can't have 'em bring it first if you can't pay 'em its worth  
You could get murdered for that he just may let it burst  
Smart high walk to earth, and maybe enemy turf  
Pray I don't get in they way just let 'em do they dirt  
And I know after the cut woah my shit is the bomb  
That must be the Saudi Arabia 'cause it ain't Hussein  
You ain't got that Florida dope, ride it down a coke  
Have to spend all ya dough or you want leave fa sho  
They come in Menthazine no caps on it is  
Want be that long before ya family know you on that shit  
Look I'm just tryna put some clothes on my daughter  
I hope they ain't ridin' I need to sell this other quarter  
If you score some coke from me, you will be  
Numb, numb, numb, numb, numb, numb, numb, numb, numb  
If you don't get it from me you will be  
Dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb  
You'll be comin' back in minutes to get  
Some, some, some, some, some, some, some, some, some  
Damn Juvie where you get that  
From, from, from, from, from, from, from, from, from  
If you score some coke from me, you will be  
Numb, numb, numb, numb, numb, numb, numb, numb, numb  
If you don't get it from me you will be  
Dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb  
You'll be comin' back in minutes to get  
Some, some, some, some, some, some, some, some, some  
Damn Juvie where you get that  
From, from, from, from, from, from, from, from, from
