For a Day Like Tomorrow

Swervedriver

Time will heal
all exit wounds
the time for peace is now,
as days have been passed.This dreamlike
reversal of roles,
return to what you were
when you were just begun.Death energy,
remedies for troubled minds
amidst the trauma of dreams
I can barely wake up today.
So save me now
and gimme something to believe,
what I wouldn't give
for a day like tomorrow.
