Powerman 5000

Relax, don't do it
When you want to go to it
Relax, don't do it
When you wannaRelax, don't do it
When you want to go to it
Relax, don't do it
When you wannaRelax, don't do it
When you want to go to it
Relax, don't do it
When you want to come
(Come)Relax, don't do it
When you want to go to it
Relax, don't do it
When you want to
(Come)Relax, relax
(Die, die, die, die)
Back and forth and forth, direction
Dying young is your intentionYou gotta dream those dreams
You gotta scheme those schemes
You got to hit me, hit me, hit me, hit me
Hit me with those laser beamsRelax, don't do it
When you want to go to it
Relax, don't do it
Uh huh, yeah yeah, c'monYo, a bus is drivin' and shikakin'
Talkin' bout rockin' stuff
And it ain't no stoppin'
I tell you now kid we don't play
I'm up all night and sleep all daySqueeze back kid you're cuttin' me close
I gotta chrome that side rite
When I spin them scopes
So let me know if you want to step to it
And holler at me when you're ready to do itRelax, don't do it
When you want to go to it
Relax, don't do it
When you want to
(Come)Relax, don't do it
When you want to go to it
Relax ,don't do it
When you want to comeRelax, don't do it

When you want to go to it
Relax, don't do it
When you want to
(Come)Relax, don't do it
When you want to go to it
Relax, don't do itWhen you wanna go
When you wanna go
When you wanna go
When you wanna go
