

# My Darkest Hour

## Scary Kids Scaring Kids

Let me up  
Let me out  
I am suffocating  
I can't live without this all behind me  
Is this almost over now The luck is like my darkest hour  
Where you will find me  
Paralyzed and dying  
From the truth You left me at the alter  
My heart in my hand  
I am tired and broken  
Haunted by memories of The life you've stolen  
I am tired and broken  
You left me at the alter  
My heart in my hand  
In my hand Let me up  
Let me out  
My lips are trembling  
And I cannot make a sound My love betrays me  
Is this almost over now?  
The walls caved in  
The roof fell down And I am finally  
Tired of the lying  
And the cloud  
That follows you You left me at the alter  
My heart in my hand  
I am tired and broken  
Haunted by memories of The life you've stolen  
I am tired and broken  
You left me at the alter  
My heart in my hand  
In my hand And now my only hope is to take  
Back what you've stolen  
(my heart will go on)  
And now my only hope is to take  
Back what you've stolen  
(my heart will go on without you) You left me at the alter  
My heart in my hand  
I am tired and broken  
Haunted by memories of The life you've stolen

(you left me in the end)  
Haunted by memories of  
The life you've stolen  
(you left me in the end) You've stolen  
(you left me in the end)  
You've stolen  
(you left me in the end)  
You've stolen  
(I won't forget)
