

# Restless Heart

## Caravans

I don't wanna lose you  
I don't want you walking away  
We're so good together  
Tell me it's forever 'cause I want you to stay  
I'll be damned if I'm living without you  
And as long as I live, you will know  
I just wanna build my world around you  
Don't want you to go  
Don't leave me here with my restless heart  
The one you filled with emotion, baby  
Right from the start, 'cause the hardest part  
Is being alone with my restless heart  
Ooh, with my restless heart  
Tell me where you want me anytime I don't care  
Tell me when you need me  
'Cause baby when you need me  
I will be right there  
I'll be damned if I'm living without you  
And as long as I live, you will know  
I will never build a wall around you  
And I don't want you to go  
Don't leave me here with my restless heart  
The one you filled with emotion, baby  
Right from the start and the hardest part  
Is being alone with my restless  
With my restless, with my restless heart  
I'll be damned if I'm living without you  
And as long as I live, you will know  
I just wanna build my world around you  
I don't want you to go  
Don't leave me here with my restless heart  
The one you filled with emotion, baby  
Right from the start, 'cause the hardest part  
Is being alone with my restless  
With my restless  
Don't leave me here with my restless heart  
The one you filled with emotion, baby  
Right from the start, 'cause the hardest part  
Is being alone with my restless heart

Don't leave me here with my restless heart  
The one you filled with emotion, baby  
Right from the start, 'cause the hardest part
