

All Night (feat. Bilbo)

Chris Echols

Chris: Every time I kiss your neck and make you wanna scream

Every time I make you cum I make you go so crazy

(go so crazy so crazy)

Okay keep those heels on panties off

pretty face and that ass soft

you're my little secret baby and you got a man

but we aint gettin caught

and i promise to do you right

even if it take all night

so i hope you're ready girl, ima take you on that flight

Ima put that Joe on Slow Kisses

yeah i wrote it so the cash im gettin it

yeah you rode it in the club tonight

but can you do it baby with a dick up in it

Prove it to me tonight

promise ima do you right

so i hope you're ready girl

Now spread those legs

introduce you to sex (girl you aint ever had it like this)

i be lickin, i be strokin

ima bust that thang wide open

ima stroke it to the motion

and i promise im gon go in

Now girl grab my head,

between ya legs im gon dance (ooooohhh)

i be lickin, i be strokin (yeah)

ima bust that thing wide open

ima stroke it to the motion

Bilbo can ya help me say

Bilbo: Ima Go All Night

ima go all night with you

(every time i kiss your neck and make you wanna scream

and every time i make you cum and make you go

so crazy) 2x

She wants me and she needs me

her body is screamin tellin Daddy can you come over

(come over come over come over girl) 2x

(ooh she want me to come over)

And when i get over we gon do it

over and over and over and over and over again
(oooooh)(and over and over and over girl) 2x
so then we go from the living room
on to the hall way
and then we fell up on the bedroom floor
and i said get off this florr girl lets get i the bed
and she go straight down start givin me head
i threw my hands up in the air
you know i said what every man would say
(yeah yeah yeah yeah yeah)(oh yeh)
So i grabbed her by the neck and i said baby
Ima Go All Night
ima go all night with you
... repeat chorus..
