

All She Needs

MILKA

All she needs
Is a little of affection
And a bit of understanding
And she'll be just fine
All she needs
Is a shoulder to cry on
Is a song in the morning
And she'll be just fine All she needs
Is a paintbrush and a cigarette
Naked bodies and a frame
And she'll be just fine All she needs
Is inspiration in the morning
A smoke filled room with music flowing
And she'll be just fine All she needs is just her mind at ease
All she needs is just her mind at ease All she needs
Is sometime to think about it
Is a kiss on her forehead
And she'll be just fine All she needs
Is some time with her heart
Is a way to rule the world
And she'll be just fine All she needs is just her mind at ease
All she needs is just her mind at ease All she needs is just her mind at ease
All she needs is just her mind at ease
