

Smile

Gorefest

Did you ever dream?
Did you ever dream?
Did you ever dream
About tomorrow? Did you see the blood?
Did you see the blood?
Did you see the blood
And feel the sorrow? Did you ever see yourself
Dancing on your grave? Did you ever cry?
Did you ever cry?
When you woke up cold
And smelled your fear Your fear of the world
Your fear of the world
Your fear to get hurt
But none would ever hear Did you ever see yourself
Dancing on your grave?
Did you ever see yourself
Dancing on your grave
With a smile on your face? And with a smile on your face?
Your smiling face?
And with a smile on your face?
