You'll Be Gone

Angela Ammons

So what if it is me, and what if we don't care anymore
What if we come clean, Goodbye fear out the door
Cause you don't care and you don't seekThere's no comprise
There's no denying
I don't want to hear forever
When I close my eyes
It disappears whatever
And I can't seem to find
What it is that you want
If I turn around
I know, Yes I know you'll be goneSo what is completely
There's so many questions on my mind
Thought you were the answer but I've been lost for some time
Cause we don't care and we don't speak
There's no comprise
There's no denyingI don't want to hear forever
When I close my eyes
It disappears whatever
And I can't seem to find
What it is that you want
If I turn around
I know, Yes I know you'll be goneGone, gone, gone-If I turn around you'll be gone
Gone, Gone, Gone-If I turn around...I don't want to hear forever
When I close my eyes
It disappears whatever
And I can't seem to find
What it is that you want
If I turn around
I know, Yes I know you'll be gone
