

Just Got Paid

Johnny Kemp

Yeah

Oh yeah, oh, oh yeah

Feels good, feels good, oh huh

Just got paid, Friday night

Party huntin', feelin' right

Body shakin', all around

(Body shakin' all around)

No one thinks when I'm gettin' down

Check the mirror, we're lookin' fly

Round up the posse, jump in my ride

Radio rockin', a monster jam

Feel the rhythm, pump up the sound

I'm feelin' so good

Don't you know I'm just groovin' to the beat

I'm groovin', groovin'

Yeah, yeah, yeah, yeah, yeah, yeah

Just got paid

(Just got paid)

Friday night

(Friday)

Party huntin'

(Party huntin')

Place is right

(Feelin' alright)

Booty shakin', all around

(All around baby)

Pour one drink when I'm gettin' down

On the floor, rockin' to the beat

All ways you sure look sweet

Fine young lady standin' by

Come on baby, sweet eye delight, hey

I rock the world that you move

And you look so sweet when you're movin' to the beat

I'm tired of all these boring parties
Why don't we get on down? Come on just get on down now

Just got paid, Friday night
(Money in my pocket)
Party huntin', place is right
(Place is little right)
Booty shakin', all around
(All the way you're lookin' 'round)
Pour one drink when I'm gettin' down

Get down, uh
(Say home)
Ha, ha, ha, you say it
(Say home, love)
Home home
(Say home)
Ha, ha, huaow

On the floor
(On the floor)
Rockin' to the beat
(Rockin' baby)
Movin' me
(Always)

You sure look sweet
(You sure look sweet)
Fine young lady standin' by
(Young lady standin' by)
(Aw yeah)
Come on baby, we'll be out tonight
(We're feelin' fine)

Just got paid, Friday night
(Can't refuse it)
Party huntin', place is right
(Money in my pocket)
Booty shakin', all around
(Showin' you a good time)
Pour one drink when I'm gettin' down

Get down, yeah, gettin' down
(Say home)
Home home
(say home, love)

Home home, home

(Say home)

Huaow

Teddy, you're playin'

Aah, shake it up, shake it up

I'm just got paid, I'm feelin'

I'm feelin' nice

Just got paid, Friday night

(Just got paid Friday)

Party huntin', place is right

(Party huntin', tell me where to party)

Booty shakin', all around

(Tell me where to party, ow)

Pour one drink when I'm gettin' down

(Come on, get down)

Just got paid, Friday night

(Just got paid Friday)

Party huntin', place is right

(Parties huntin' [unverified])

(Havin' a good time baby)

Booty shakin', all around

(Havin' a good time baby yeah)

Pour one drink when I'm gettin' down

(I'm gettin' down)

Just got paid

(Getting', getting', gettin' down)

Friday night

(Getting', getting', gettin' down)

Party huntin', place is right

(Yeah)

Booty shakin', all around

(Whoa, oh yeah, yeah, yeah, yeah, yeah)

Pour one drink when I'm gettin' down

Gettin' down, oh, I said, gettin' down down

Gettin' down down

I love to hear ya, yo Kemp, yeah, hey

Thanks, Aaron, Teddy, you guys be cool

Ha, ha that's it
