Right Thing

Rosie Lowe

I've still got
The notes we left on pillows there in a box
Next to all them memories
What's been and gone
What's gone is historyAnd now we're close
I remember all the good things
I forgot them all
Like I've woken from a crazy dreamI've awoke
And I am a fool
For letting go
I thought I made the right choice
Then you came
In spite of me
We're what remains
And you are beautiful
Thought I made the right choice
Then you came
Am I to blame?
Did I lose this game?
You are beautifulWhen things got tough
I flew a million miles like a shooting star
I have to get as far I could go
But ignored you're
Everything (you're everything)
And now you're close
And talkin' 'bout your new love, I'm so happy for ya
You deserve everything that's good
But I feel such a fool
For letting you goI thought I made the right choice
Then you came
In spite of me
We're what remains
You are beautiful
Thought I made the right choice
Then you came
Am I to blame?
Did I lose this game?
You are beautifulBeautiful, beautiful...I thought I made the right choice
Then you came

In spite of me
We're what remains
You are beautiful
Thought I made the right choice
Then you came
Am I to blame?
Did I lose this game?
You are beautifulThought I made the right choice
Then you came
Am I to blame?
Did I lose this game?
You are beautiful
