Sensation

Bryan Ferry

Never seem to touch, ohh babe, temptation
I didn't feel enough motivation
Then I hear you call, ohh babe, sensation
Then I need it all, ohh babeOh my love
Oh my loveNever been in love, ohh babe, sensation
Never needed much complication
Then I hear you call, ohh babe, it's late now
And I need it all, ohh babeOh my love
Oh my loveWhere beat goes on, ohh babe, sensation
There you've been and gone, ohh babe
When I hear your name, ohh babe, it's late now
Will I feel the same, ohh babe, sensationOhh babe, sensation
Ohh babe, sensation
Ohh babe, sensation
Ohh babe, sensationOhh babe
Ohh babe
