

# Mad Queen

## Kingdom Come

You caught me with your eyes  
I can feel what's on your mind  
Just like a gentle breeze  
Touching only when you please  
[Chorus:]  
Shut down  
She's a mad queen  
Watch out  
She's a love machine  
I fall into a trance  
Every time I watch you dance  
Let's end what you've begun  
Sure your love, what you have done
