

Gone

Bei Maejor

You know,
I love you so much girl
I just can't take you everywhere
I wanna take you right now
(This your favorite song, song)
You know I ain't really got the money
(This your favorite song, song)
But I promise one day we gon' go
I promise (Turn your Jukebox on, on)
Yeah
Baby Im'ma take you somewhere fresh
Soon as I get my next pay check
Baby trust me, you'll see
How your girls wishin' they man was like me
So won't you take my hand, baby close your eyes
And we'll make love til we see the sun rise
On the beach though, on white sand
I promise forever, I'm your man
So just rock to the left and rock to the right
If you know your baby gonna make it all right
Say oh (Ooh oh oh) oh (Ooh oh oh)
And let me see you step to the front, and step to the back
Throw your hands up if you got it like that
Say oh (Ooh oh oh)
Ooh woah woah
Let's get gone, gone, gone, gone
Let's get gone
Yeah me and you (x3)
Let's get gone, gone, gone, gone
Let's get gone
Yeah me and you (x3)
See I may not have the most money in the world
But I got stacks of love for you girl
As soon as I get my money right
Then we'll go wherever you like
Get gone, gone, gone, gone, gone
Yeah me and you (x3)
Baby Im'ma take you somewhere fly
Somewhere far where we can't even drive

Where we go, only we know
I'm thinkin' Montego, or Rio
I swear that as soon as I get my money right
We gon' catch a plane way high in the sky

No coach class when we fly
I'm thinkin' like G-4 or G-5
So just rock to the left and rock to the right
You know your baby gonna make it all right
Say oh (Ooh oh oh) oh (Ooh oh oh)
And take one step to the front, one to the back
Throw your hands up if you got it like that
Say oh (Ooh oh oh)

Ooh woah woah
Let's get gone, gone, gone, gone
Let's get gone
Yeah me and you (x3)
Let's get gone, gone, gone, gone
Let's get gone
Yeah me and you (x3)

See I may not have the most money in the world
But I got stacks of love for you girl
As soon as I get my money right
Then we'll go wherever you like
Get gone, gone, gone, gone, gone
Yeah me and you (x3)
If you believe, then you will see
That girl we'll go around the globe, yeah

Just give me time
That's all I need, yeah
But until then
Let's watch this here TV and
Let's get gone, gone, gone, gone
Let's get gone
Yeah me and you (x3)
Let's get gone, gone, gone, gone
Let's get gone
Yeah me and you (x3)

See I may not have the most money in the world
But I got stacks of love for you girl
As soon as I get my money right
Then we'll go wherever you like
Get gone, gone, gone, gone, gone
Yeah me and you (x3)

(Puerto Rico, Paris, Turks and Caicos, Detroit)

(Gone)

(Yeah)
