Andrew Bird's Bowl of Fire

I saw you last night
My, my how indiscreet
Your self destruction is so complete
Oh yeah, and I know, yeah, I know
That shes going down slowIt was this morning that you phoned
You sound strung out, babe, but so high toned
Yeah Lord, and I know, yeah, I know
That shes going down slowYoure the article babe, youre the genuine thing
And when that guy comes by with his diamond ring
It doesnt feel right and you tell him so
So you buy your tickets home
And youre going down slow
And shes going down slowI saw you last night, how indiscreet
Your self destruction is so complete
Oh yeah, yeah, I know
Yeah, I know, yeah, I know
That shes going down slowIt was this morning that you phoned
You sound strung out, babe, but so high toned
Yes, I know, yes, I know, yeah
That shes going down slowWait a minute, whats this?
Were losing altitude hand over fistAnd shes going down fast
Yes, shes going down fast

[Incomprehensible] shes going down slow
[Incomprehensible] shes going down fast[Incomprehensible]
