Trailer Park Scum

Stereoside

Nobody round here does it quite like me you see.
I bring it down real low to get you in the groove of me.
We can laugh or we can cuss or we can fight.
We can make love or we can raise hell all night.
I'm a mystery to some of them all
I got a great big heart and that's my windfall.
We can laugh or we can cuss or we can fight.
But if you ask me real nice I'll tell you what I like.
I like my girls like I like my cream
A little bit sticky and a little bit sweet
Everybody knows where I'm from
I grew up in a trailer
I'm Trailer Park Scum.
I always keep a little swagger in my soul
Keep things interesting I keep you on your toes.
I don't live fast but I do live life
I love to see the sun but I really love the night.
So if you think you've got me all figured out
Think again man this ain't no easy life.
We love to laugh we love to cuss we love to fight.
If you ask real nice I'll tell you what I like.
I like my girls like I like my cream
A little bit sticky and a little bit sweet
Everybody knows where I'm from
I grew up in a trailer
I'm Trailer Park Scum yeaaah
So what do you know about me?
I grew up in a trailer
I grew up in a trailer anekatips
So what do you know about me yeaaah
I like my girls like I like my greens
A little bit sticky and a little bit sweet
Everybody knows where I'm from
I grew up in a trailer
I'm Trailer Park Scum.
I like my girls like I like my cream
A little bit sticky and a little bit sweet
Everybody knows where I'm from
I grew up in a trailer

I'm Trailer Park Scum yeaah yeaaah
So what do you know about me?
I grew up in a trailer
So what do you know about me?
