# Sweepstakes

## Strike

Pay day, you're a winner
Pay day, you're a winner
Keep cool, form a line
Scared money, broke money
Bow money, mo' money
So sunny, cloud breaker
Sound like a waverunner
Wild mother, funky drummer
You can get it how you wanna
There's math and there's dealers
And players and me
They say that they winners
Ok well, let's see
You player, you play
The rules of the trade
The math of the date
The times and the age
But you want how you like
Aim high, man, why not?
Sun, moon, starry y'alls
Each and all of y'alls
Mathematics and dealers
And players and me
They say that they winners
Ok well, let's see
Sweepstakes
Sweepstakes, you're a winner
Sweepstakes, you're a winner
Sweepstakes, you're a winner
Sweepstakes, you're a winner
Sweepstakes, you're a winner
Sweepstakes
Sweepstakes, you're a winner
Pay day, you're a winner
Keep cool, form a line
Scared money, broke money
Bow money, mo' money
So sunny, cloud breaker
Sound maker, wave runner

Wild, wonder, funky drummer
You can get it how you wanna
"Who's the winner?" Said the dealer
Every player, "Yeah me"
So you say, "We will see"
Player play, hey, ok
Whatcha want? How you like?
Aim high, why not?
Sun, moon and starry y'alls
Each and every all of y'alls
Who's the winner? Yeah, me
So you say, "We will see"
Cloud breaker, danger beats
Fresh plates
Ha ok, let's eat

Sweepstakes, you're a winner
Sweepstakes, you're a winner
