Never Mine to Lose

Joe Diffie

You were the ocean,
I was the sand on the shore,
each time you touched me,
you kept me longing for more,But I knew Id never hold you here,
A fleeting moment was all we'd share,So why do I feel the way I do,
Why is my time spent missing you,
Why does it feel like I've lost the only love I'd knew,When you were never mine to loseIts not a possession,
passion it come and it goes,
just like the ocean,,,
hearts have their ebb and flow,,,And I know I can't turn the tide,,
can't feed the sea once the rivers dry,,So why do I feel the way I do,
Why is my time spent missing you,
Why does it feel like I've lost the only love I'd knew,When you were never mine to loseDid I let the moonlight and your memory,
cast a spell on meSo why do I feel the way I do,
Why is my time spent missing you,
Why does it feel like I've lost the only love I'd knew,When you were never mine to lose
