Confession (Whatâ€™s Inside My Head)

Red

I feel fine
And I can't smile
But I feel the anger coming
Its underneath
I don't know why
It's always overflowing
It's a constant fight
Deep inside
And I wanna forget itI confess I'm always afraid always ashamed
Of what's inside me
I confess I'm always afraid always ashamed
Of what's inside my headAnd I can't breath
And I still feel
But not the way I want to
I'm on the edge I don't' know how
I can escape this nightmareI confess I'm always afraid always ashamed
Of what's inside me
I confess I'm always afraid, always ashamed
Of what's inside my head
What's inside my head
